a. **Cross-Town Registration**

Download the Cross-Registration Application Form and submit to the applicable office.

If you are student at one of our eleven "Cross-Town" schools, then you can join AFROTC at Georgia Tech. Please refer to our website for a complete listing of all eligible colleges and universities. All cross-town students MUST register for AFROTC classes offered at Georgia Tech through the ARCHE Cross-Registration program. For information on the ARCHE Cross-Registration Program, including a list of Points of Contact by Institution and to download the Cross-Registration Application, go to:

http://www.atlantahighered.org/collaboration/cross-registration/

The Cross-Registration Application must be submitted directly to your home institution's registrar office no later than Sunday **15 November 2019** unless your home school has an earlier deadline. The Cross-Registration Application must be completed on time or you will not be able to join AFROTC. Once your ARCHE application has been successfully submitted and processed, you will receive a GT ID number and instructions for submitting your medical forms.

b. **Georgia Tech Stamps Health Services Requirements**

In order to cross-register at Georgia Tech, you must upload the Georgia Tech Medical Entrance Form and Certificate of Immunization **directly to the Georgia Tech Stamps Health Services**. Failure to meet this requirement will result in a registration hold preventing you from being scheduled for AFROTC classes. These forms can be downloaded at: http://health.gatech.edu/immunization/Pages/default.aspx (*Click cancel when the box pops up*)

c. **Georgia Tech Buzzcard**

Once your ARCHE application has been successfully submitted and processed and you have received a GT ID number, proceed to the Buzzcard Office and to receive your Buzzcard (see Enrollment Information Packet).
